CLUB NOTES

HONOUR IN F.A. CUP DEFEAT

Back to the grim grind of League football, North End played at Wolverhampton as if their energies had been sapped by their efforts in the F.A. Cup sixth round replay three days earlier. Wolves, scenting promotion, were in strong form, and our jaded side suffered the usual fate of North End teams visiting Molyneux.

The situation in the table does not allow for any slackening of effort, considering the nature of the remaining fixtures and none too wide margin of safety from the threat of relegation. This was temporarily removed by our recent win at Bolton, but a few more points need to be gained before we can relax.

While it was disappointing to see the team caught on the rebound at Wolverhampton, nothing can detract from North End's stirring and wholehearted performances in the Cup, and we feel that all supporters are unstinting in their credit for a great effort which, for a few weeks revived the club's prestige.

The national publicity which followed our fifth round triumph against Tottenham Hotspur enhanced North End's reputation for playing a good type of football and for fighting spirit. This was accentuated in the next round, which inevitably produced a sterner test, apart from the opposition being Manchester United.

CLUB NOTES—*continued*

The first meeting, at Deepdale, was memorable, to say the least. Another fine crowd saw an action-packed game in which "Proud Preston" showed no sign of any inferiority complex. We had the better chances and made by far the more scoring attempts in extending the United's defence to the utmost degree.

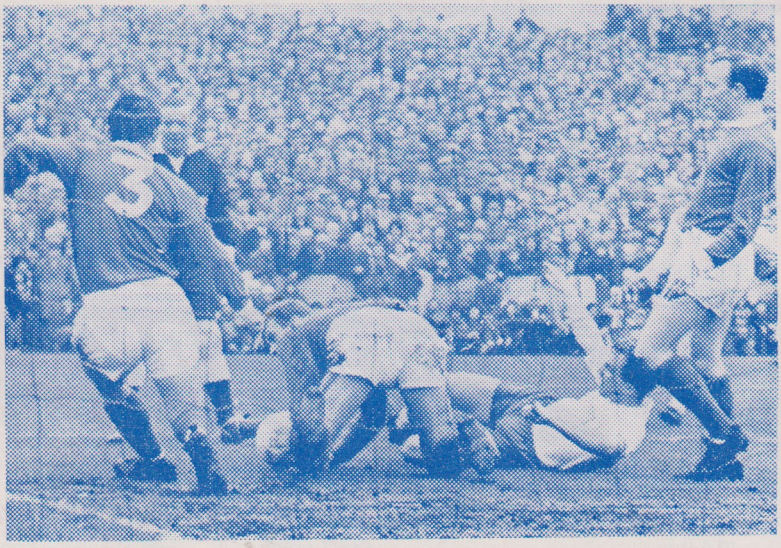
Regrettably only one of North End's scoring efforts — a header by Dawson for his fourth goal in four Cup games—was successful, and this was quickly nullified early in the second half when Herd, thought to be in an offside position by our players, was allowed to go on and equalise from Best's pass.

In the replay Preston put up a splendid fighting show, always remembering that the United, who now where at home with a vast crowd cheering them on, are recognised as one of the best six club sides in the world. It is in that light that North End's achievement in holding them for 175 minutes needs to be seen.

They were deserving of the many congratulations warmly given after the United had snapped two deciding goals in the last few minutes. Earlier Denis Law had put his side ahead, but North End, undismayed, fought back strongly and gallantly almost throughout the second half.

Tony Singleton repeated his feat of the 1964 semi-final at Villa Park by scoring his second goal for the club with a grand header, but that was all the United would concede, hard as they were pressed at times.

SIXTH ROUND INCIDENT AT DEEPDALE



Spavin falls as his shot is blocked by Gregg, who is covered by Dunne and Stiles.

OUR VISITORS—*Charlton Athletic*

To-night is the second of our Easter games with Charlton Athletic, to whom we offer a warm welcome, and whose first League game with North End was in November, 1930, following their promotion from Division III (South). Our initial meeting, however, was in the F.A. Cup seven years earlier when Charlton gained a surprise 2-0 home win.

Shortly after the last war Charlton, again at the Valley, inflicted on us the heaviest defeat of our Cup history — by 6-0 — on their way to the Cup Final. They were the losing Finalists, but won the trophy the following year and got into the semi-final at North End's expense by a 2-1 home victory. This season we had the satisfaction of avenging one of these defeats by a 3-2 Cup win at Charlton.

Founded in 1906, Charlton, who are popularly known in their locality as "The Haddicks," did not become a professional club until 1920, and a year later gained League status. Promotion rewarded their progress in 1929, but in 1933 they were back in Division III through finishing at the bottom of Division II.

Subsequent events concerning Charlton created a sensation and made history in football. In successive seasons they rose from Division III to the premier division, and failed by only three points to win the Championship at the first try. Since those palmy days Charlton have experienced the misfortune of a decline. Eleven post-war seasons in Division I ended with relegation, and in the more recent of the subsequent nine seasons in Division II Charlton have known the anxiety of struggling to avoid a further fall from grace. Three years ago the club finished only one place in front of the bottom two, and at present are straining every nerve to avoid a repetition of that end of season tension.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*continued*

Before Easter, with matches in hand, Charlton were ahead of Middlesbrough, Bury and Leyton, and have signed three or four new players, notably Ian King and Cliff Holton, in a bid to safeguard their status. Their fixture with Rotherham last Saturday could not be fulfilled owing to snow at Millmoor.

Last season Charlton rallied to finish fifth from the bottom, two points (and goal average) better off than Swindon, who went down with Swansea Town. In between were Leyton Orient and Portsmouth. This season the Valley club have been hard to beat at home, but disappointing on their travels.
